

buttonbag®

🐰 bunnies

Fold felt in half and pin patterns on. Draw around paper and cut **ON THE LINE** you have drawn. [see fig 1](#) Sew on eyes and whiskers to one bunny head using the lines on the paper pattern as a guide. Thread needle with embroidery thread and tie a knot. Pin the bunny shapes together with the eyes on the outside and sew around using an over and over stitch from A to B. [See fig 2](#) Push a little stuffing through the gap and finish sewing. Make a few stitches on the spot to stop your thread unravelling.

- 🐰 Pin the two body pieces together and sew all the way round remembering to leave a gap for stuffing. Stuff and finish sewing. Attach the head to the body with a few stitches at the back.
- 🐰 Roll a little stuffing in to a ball and sew it on as a tail.
- 🐰 Decorate their hutch and show your bunnies their new home.

🥕 Carrots

Cut out the carrot shapes from the orange and green felt. Roll the orange piece in to a cone around the green carrot top and sew it closed. You might find it easier to hold the carrot closed with a pin while you sew it. [See fig 3](#)
